The Town Crier

The “Official” News of Dauphin Island

In an effort to keep the citizens of Dauphin Island better informed, the Mayor and Town Council are pleased to distribute the Town Crier on a monthly basis. Our goal is to highlight council meetings and other newsworthy events. However, this is not intended as a substitute for attending public meetings.

Calendar of Events

Aug 1-2 Conde Cavalier Fishing Rodeo
Aug 3 Agenda Meeting 5pm
Aug 4 Council Meeting 6pm
Aug 6 Blood Drive
Aug 11 Planning Commission 6pm
Aug 15 Stripers Rodeo

Sept 8 Planning Commission 6pm
Sept 12 Hurricane Run 5K
Sept 12 Sailboat Regatta
Sept 14 Agenda Meeting 5pm
Sept 15 Council Meeting 6pm
Sept 17 Flu Shots at Town Hall 8am-12pm

**Events subject to change**

Coronavirus Update

On July 15, Governor Kay Ivey announced a statewide order for individuals to wear face coverings/masks when (a) within six feet of a person from another household, (b) inside indoor space open to the general public, (c) in a vehicle operated by a transportation service or (d) at an outdoor public space where ten or more people are gathered. The mask mandate is expected to be in place at least until the end of July. Earlier in July, Governor Kay Ivey extended the "Safer at Home" order which included the reopening of all Alabama beaches and a greater number of businesses and other public places/venues. Under the order, restaurants are allowed to offer dine-in service (50% capacity) with proper spacing of tables/seating and other safety precautions. However, emphasis remains on social distancing (6 feet apart), staying at home (when you can), practicing good personal hygiene and wearing masks/face coverings when out in public. The town council recently called a Special Meeting prior to the Governor's statewide mandate and adopted a resolution supporting the wearing of face coverings in all public buildings to help reduce the spread of Coronavirus within our community. Some business owners on the island were looking for guidance and support from the town as they manage these health and safety related matters in their respective establishments. Posters were also distributed to businesses for posting at all public entrances to remind customers and staff to stay safe during these challenging times. The resolution also reminds individuals to continue practicing social distancing and maintain proper personal hygiene. Town buildings (Town Hall, Police Dept., Welcome Center and Public Works) remain closed to the public and customers are asked to continue conducting business via phone, fax or email when possible. Public Meetings are going on as scheduled and we respectfully request your "attendance" be limited to Zoom and Facebook Live to limit in-person crowd size. We apologize for any inconvenience this may cause.

Are You Registered To Vote? With all of the elections coming up this year, now is the time to make sure you are properly registered to vote. It's actually very simple. For more information visit www.AlabamaVoterID.com or call the Elections Division at 800-274-8683. On-line registration and printable forms are available. Voter registration and updating of voter records is closed during the fourteen (14) days prior to each election in Alabama. Why wait? Register today!

Political Signs Regulations

With several upcoming elections scheduled between now and this fall, political signs will likely start popping up in a front yard near you very soon. While we encourage citizens to take part in the political process and support the candidate(s) of their choice, we also want to remind you that such signage is regulated by town ordinance. Political signs: (a) can only be displayed 45 days PRIOR to the election, (b) shall not exceed two sides with three (3) square feet per side, (c) are limited to one sign per candidate per lot, (d) cannot be placed on public property, and (e) must be removed within 72 hours after the election. As always, your cooperation is greatly appreciated!

2020 Municipal Election Info

Due to only one candidate qualifying for each council position, the Municipal Election previously scheduled for August 25 is canceled. The positions and candidates are as follows: Mayor Jeff Collier, Council Place 1 Gene Fox, Council Place 2 Joshua "Trey" Alderman III, Council Place 3 Earle W. Connell, Council Place 4 Rich Colberg, and Council Place 5 Clinton Collier. The new council will take office in November 2020 and serve 4-year terms.

Congratulations! Note: Incumbent council members Wayne Strickland and Shirley Robinson opted not to seek reelection. We know you join us in thanking them for their dedicated service to our island community!

Lifesouth Blood Drive August 6
**News From Dauphin Island Heritage and Arts Council**

WE ARE VERY EXCITED that, after years of planning, our new art education/studio building has arrived, and we are in the process of having it set up next door to The Dauphin Island Gallery and finished out. We look forward to hosting art classes for youth and adults in the new space, including pottery, painting, drawing, print making, and so many other artistic opportunities for our community. HATS OFF and many thanks to all who have donated funds and services to this long-awaited and much-needed facility, especially for the children of South Mobile County. We need help with finishing out the art studio building, such as installing the insulation, decking and other improvements. If you are interested in being involved in this community effort, please send an email to info@dauphinislandarts.org or to Bill Fairbanks at billfairbanks19@yahoo.com. DIAHAC CLAY KIT PROGRAM is off to a great start and some wonderful pottery pieces have been created by Island residents and visitors! Clay Kit #3 is in the planning stages for late July or early August. If you are interested in learning more about the Clay Kit Program and how you can join in the fun, please send an email to info@dauphinislandarts.org. CHILDRENS ART KITS were distributed free of charge at the Dauphin Island Gallery (in the Lighthouse Building) during June and July, to the delight of many children and parents. We expect to have another set of art kits for K-5th grade children in late summer. Thanks to Melinda Hollingsworth with DIAHACs Art Education Program for heading up this project! FINE ART ARTIST KATHY SHEPPARD is the new Guest Artist at the Dauphin Island Gallery and we also have new art from Gallery artists such as Janie Zetsch, Kirsten Mallon, Bekki Ludlam, John Halliday, Barbara Teare and Ching Walters. Be sure to visit the Gallery soon and see all the wonderful new art on display for sale. A portion of art sales revenue helps support DIAHACs many programs in our community. THE NEEDS IN OUR SERVICE AREA are great and the pandemic has created a major setback for us. Please consider giving today and supporting our efforts, which include free children's art education, the Dauphin Island Native American Festival, adult art classes, Last Friday Art Night (LFAN), and so much more! You can make a tax-deductible donation by mailing a check payable to DIAHAC to P.O. Box 114, Dauphin Island, AL 36528, or donate through our website at www.dauphinislandarts.org. THERE IS A HEALING POWER TO ART, and we want to help bring that healing to our small part of the world. As we continue to practice Safety Measures to help in decreasing the spread of COVID-19, we are happy that the Dauphin Island Gallery (the Lighthouse building) is open to the public on its normal days and business hours - Thursday-Saturday, 10am-4pm, and Sunday, 12:30pm-4:30pm. DAUPHIN ISLAND HERITAGE AND ARTS COUNCIL is a charitable, non-profit organization, providing educational opportunities in the arts, and working to preserve our coastal heritage. Memberships, donations, and purchases at our Gallery help support our programs.

**Tree, Sign Grants Sought**
The town has applied for and received annual grants from the Alabama Power Foundation for the planting of trees within public parks and right of way over the past few years. The grant cycle is upon us once again and we’ll be submitting a request to purchase colorful crepe myrtles and other varieties this time around. If we are successful with our grant request, some of the trees will be planted at the south end of DI Bridge where we recently cleaned out two expansive beds on either side of the roadway. This will enhance the natural beauty of the area by adding a bit of color. At the same time, we are also partnering with the Chamber of Commerce on an idea their members had to install an attractive sign on the right side of the road as you approach the bridge from the south. Current thinking is such a sign would be similar in style and quality to the "welcome sign" on the opposite side of the road and contain a message (TBA) wishing motorists "safe travels" and encouraging them to "come back soon". It will likely be several months before we know whether our grant applications have been approved and we’ll make sure to let you know.

**Fiber Update**
As most of you know, the town received approval from the state to have fiber optics cable installed on the Dauphin Island Bridge more than a year ago. The Alabama Dept. of Transportation (ALDOT) arranged to have the infrastructure installed and subsequently leased the cable to the town. The town in turn developed lease documents for interested service providers and contracted with Uniti Fiber to serve as our maintenance provider. In the meantime, Comcast Cable applied for and received a state grant specifically to provide enhanced telecommunication services to Dauphin Island. According to Comcast representatives, work is already underway to install needed equipment both on and off island to support the planned expansion. However, that project could take 8-12 months to complete. Uniti Fiber has connected to the bridge fiber and is offering 100% fiber backed services to all interested island-based commercial entities. We understand (and have been told) that other providers are in various stages of the required process to upgrade services here on the island.

**Committee Volunteers Needed**
The town of Dauphin Island has applied for a grant that, if approved, would fund a project to identify and map wetlands scattered throughout the island while recommending beach and dune preservation guidelines and best practices for the island’s west end. Developing an inventory and associated overlay of wetlands (large and small) will provide pertinent information to prospective property owners, developers/contractors and town staff among others as the island continues to grow and develop in future years. The beach & dune portion of the project would help to build upon the recently adopted Dune Protection Overlay District to include areas west of Pirates Cove Street. Environmental engineers would work with the town to identify best management practices relating to dunes and critical habitat creation, protection and more. If you’d like to submit your name for consideration to serve as a volunteer committee member, please contact Town Clerk Wanda Sandagger. A core group of 5-6 individuals make up the existing committee but new members are encouraged to become more involved in these types of matters going forward.

**Sailboat Regatta Announces Latest Date Change**
Impacts from the Coronavirus pandemic continue to create challenging times and decisions for event organizers on land and at sea. The annual Sailboat Regatta is one such event that has seen the scheduled race day change no less than three times. Race officials are now looking to hold the colorful and graceful spectacle on Saturday, September 12. Wishing them calm seas and our hope that the third time truly is the charm!

**Fireworks Show Scrubbed**
Few regularly scheduled events have actually taken place this year. Concerns surrounding the global pandemic have forced the cancellation of numerous festivals, concerts, church bazaars, cook-offs and other popular island activities. As we approached the July 4 holiday, a decision was made to cancel the fireworks show primarily due to requirements related to Covid-19. Specifically, the town would have been responsible for keeping spectators safe and properly distanced during the show. A difficult if not impossible task. With shows canceling throughout lower Alabama, a related concern was not knowing how many people would travel here to see the display. Faced with these challenges, the difficult decision to cancel the show was made. The town would like to again express its sincere appreciation to Sicklefins Charters (Tyler Reinhardt) for agreeing to sponsor this year’s fireworks display and further appreciates his willingness to do so again in 2021!

**ALDOT Shoring Up Hwy. 193**
Tropical Storm Cristobal caused severe erosion with its strong winds, above normal tides and waves that battered the shoreline for more than a day. In addition to covering much of the causeway with vegetative debris, rocks, logs and more, the storm also stripped away what little natural protection remained in place especially north of Jemison’s Bait Shop. Since the damage occurred, ALDOT has initiated a stabilization project that expands on previous work to install rip rap and other materials to slow erosion and defend the roadway. Our thanks to the Mobile District Engineers for recognizing this imminent threat to the island’s only link to the mainland and taking proactive measures to protect the roadway from further harm.
Arts of Dauphin Island
We are located at 1101 Bienville Boulevard and open for business on Thursdays, Fridays and Saturdays from 11:00am until 5:00pm. We will continue NOT to have our open house since we are still in the midst of the Corona Virus pandemic, nor, unfortunately are we going to be able to have a "Children’s Art Camp" in August. We are however going to continue with our Adult Art Classes on Mondays from 10:00 am until 1:00pm taught by Ms. Margie Delcombe. $10.00 per class all materials provided. Masks and social distancing will be adhered to. We will have to limit the number of students to 5 people per class. Ms. Margie says that if there are enough people interested in taking her classes, then she will consider teaching a 2nd class. To sign up for the adult art classes, please call Ms. Margie at 251-402-0266 or Marsha Barnett at 251-401-0230. If you would like to join our gallery, become a volunteer or need any information about Arts of Dauphin Island, please call Marsha Barnett at the above number. Please check out our new web page Arts of Dauphin Island, org, or by finding us on face book. You can also get in touch with us by emailing us at artsofdauphinisland@gmail.com.

Dauphin Island Sea Lab Notes: Hours are expanding once again for visitors to have more time to visit the Aquarium at the Dauphin Island Sea Lab. Tickets to visit can be purchased for times between 11 a.m. until 4 p.m. seven days a week at dial.edu/estuarium. During your visit, grab a salad, sandwich, or snack at Miss May May’s Snack Shack between 11 a.m. and 3 p.m. Big news!! Cocktails with the Critters is going Virtual! The DSL Foundation is hard at work gathering exciting items for an online auction to be held September 10-17, 2020. The auction website will be: http://gala.causefuction.com/DSSLFauciton2020. You will be able to pre-register for the event starting Sept 8, 2020 by accessing the link and signing up to be a bidder. You will also be able to register once the auction begins. The DSL Foundation has obtained several great auction items for this event including: Fishing trips, Trips to the Carribean Islands, A Stay at The Battlehouse, Memberships to the Exploreum, Quarter page Ads in Mobile Bay Monthly or BusinessView, Sunglasses, Join Dr. Lee Smeck to be a Marine Biologist for a day, Auburn & Alabama Swag, etc. Cocktails with the Critters virtual auction proceeds will continue to help the Dauphin Island Sea Lab by investing in Scholarships, Campus Improvement and supporting the Aquarium of Alabama. Stay tuned for updates as we bring Cocktails with Critters to life virtually!

DIPOA NEWS
Please join us on Wednesday, August 20th at 6pm, for our regular monthly meeting. If COVID-19 restrictions ease, the meeting will be held on the bottom floor of the Isle Dauphina Clubhouse. If not, it will be held via a teleconference call. The membership will be notified of the meeting venue by email using Constant Contact. If you wish to be notified of important DIPOA activities/dates, please ensure we have a valid email address for you. Also, if you are a new property owner and are not sure the POA has your correct mailing address, please contact the POA Administrative Assistant, Melissa Taylor. You can come by the office, call (251) 861-3144, or email us at dipoomoffice@gmail.com, to confirm or change your contact information. Once again, membership dues are the POA’s main source of revenue. Without your support, the Board would not be able to do the things we are doing for you. If you have not paid your annual dues, you may pay in person at the POA office, mail a check to P.O. Box 39, or pay on the POA web site, with a credit card. Our office hours are Mon, Tues, Thurs, and Friday from 11am-4pm.

Flu Shots Available
The town has partnered with Sennhies Pharmacy this year to offer flu shots. The clinic is currently scheduled for Thursday, September 17 from 8am-noon at town hall. Please mark your calendar and look for additional information in the September Town Crier.

OPEN FOR BUSINESS! Many of our locally-owned and operated businesses are back up and running under the new "Safer at Home" guidelines (Social distancing, sanitizing, face coverings and more) and the town is pleased to share the following information (all store front Island businesses were invited to participate) for your convenience. Let's all do our part to support our businesses during these challenging times! Featuring local art, shirts, and home decor. Masks and gloves worn by workers, shared items disinfected between parties, and occupancy is monitored.
Aloe Bay Projects Update  On June 25th the planning team for the Aloe Bay projects held three community engagement/visioning meetings at the rodeo site. During these meetings, Mayor Jeff Collier gave a brief overview of the projects followed by the invitation from Brandon Bias (Goodwyn Mills Cawood) for attendees to share their vision and ideas on large chalkboards. In the course of three meetings many conversations took place between the planning team and community participants about the future of Aloe Bay. A couple of noteworthy ‘themes’ emerged after review by the planning team and steering committee. One key theme of items which should be celebrated in the overall Aloe Bay development included; beautiful sunsets, local ecology, family-oriented fun, and celebration of the character and culture of Dauphin Island. Another key theme will require further exploration with the community to decide the balance between passive, reserved, and recreational space to an active, dynamic and engaging Town Center. Some of the common program interests included: a public walk along the water’s edge of the Town Center portion and possibly connecting to enhanced ecological features and other public facilities in the bay, waterside dining, venue/entertainment space, small water vessel accommodations, and places for children. Many other program items were shared in the meetings that will require more feedback in future community engagement efforts. All residents are encouraged to participate. To keep up with the project, and receive periodic updates from the planning team, visit the project website at: http://www.aloebay.org.

Hurricane 5K Run The annual Hurricane 5K and Fun Run, sponsored by the Port City Pacers, is scheduled on Saturday, September 12th at 8:00am on the east end of the island. The race celebrates the recovery and reconnection of Dauphin Island and south Alabama after the devastation of Hurricane Frederic, according to race documents. The course winds along the streets of the eastern portion of the island with the start and finish at DI Sea Lab. Race organizers donate proceeds to local charities such as the Sea Lab and Fire Rescue and plan to do the same again this year. For additional information check out portcitypacers.com

Little Dauphin Island Eyed for Restoration The Alabama Department of Conservation and Natural Resources (ADCNR) and the National Fish and Wildlife Foundation (NFWF) have collaborated to fund a Little Dauphin Island restoration project. The Army Corps of Engineers (COE) is currently in the assessment/design phase and construction/restoration is planned to begin in 2022. ADCNR has budgeted $10M of the NFWF Gulf Environmental Benefit Fund for the actual construction/restoration costs. Included in the Bon Secour National Wildlife Refuge and managed by the U.S. Fish and Wildlife Service, Little Dauphin Island is an important nesting and foraging area for several coastal bird species, including several imperiled shorebird species. For additional information please visit https://www.nfwf.org/sites/default/files/2020-04/al-little-dauphin-island-restoration-assessment-17.pdf.

**ARE YOU SIGNED UP TO RECEIVE TOWN EMAILS?** In order to keep our property owners, citizens and visitors better informed, the Town maintains a mass email list for the prompt and convenient distribution of upcoming events and matters of importance to our community. If you are not already on the list please contact Jennifer Ploeger at jploeer@townofdauphinisland.org.

**HURRICANE RE-ENTRY PASSES!** Check your hurricane re-entry passes to make sure they are current.
